Value of the Month - Confidence

This month there are a number of activities in school which will require the children to be confident. Tests, days staying away from home and competitive sports events are just a few examples. We will be using our 'growth mind-sets' and working together to support each other in order to develop everyone's confidence at school this month. We recognise that confidence comes more naturally to some of us than others and there are times when we can all feel less confident than usual. We will be reflecting on how we can help each other to feel more confident at times of need so that we can all develop our abilities to do well both individually and as part our school community. If you would like to read more about 'growth mind-sets' please follow this link.

Congratulations to Year 6

We would like to send our congratulations to Year 6 for their determined and positive approach to tests this week. We are very proud of your hard work and efforts. Well done each and every one of you.

April Attendance

Well done to Eagles who achieved the best attendance during April with a pleasing 99.3%. They were closely followed by Kestrels on 97.8% and Greylings on 97.8%. Which class will manage to beat 99.3% in May and will any of the classes achieve 100% ...

Walk to School Week

This year Walk to School week is taking place next week the 15th-19th May. Walk to School Week passports and stickers are ready with class teachers and will be handed out on Monday to each child who walks to school. For families who live too far away to walk all the way to school maybe next week you might drive for part of your journey and then walk the rest of the way so your child can take part.

Gardening Club

The Gardening club have sown lots of seeds in the greenhouse in preparation for the summer fair. Our pumpkins, potatoes and runner beans are already in our new planters and growing nicely. We have entered 2 more competitions and are due to enter a 'window box' one next month, so fingers crossed that our success continues. Thank you to the Lee-Fryer family who donated a courgette plant to keep our pumpkins company.

Miss Benson and Gardening Club

Yours sincerely
