NEWSLETTER NO 17

16th June 2017

Dear Parents/Carers,

House Gems

Congratulations to the following children who have received a Values 'House Gem' celebrating their actions in promoting our school values.

Zohra Q	Phoenix	Fire	Confidence and independence in leading an assembly
Liyana R	Phoenix	Air	Confidence and independence in leading an assembly
Matthew H	Eagles	Air	Friendship, caring and thoughtfulness
Ajay P	Eagles	Water	Friendship, caring and thoughtfulness
India C	Starfish	Fire	Resilience and determination
Harry B	Starfish	Fire	Quality, caring, resilience and determination

Value of the month - Resilience

Our June value - resilience - allows us to explore and champion the ideas of challenge, bouncing back and overcoming difficulties. We will explore ideas for how to become more resilient such as positive self-talk, setting goals and working at our friendships. We will also reflect on how we can support others to increase their resilience by being a good listener, including them in our activities and keeping calm even when we are feeling annoyed!

Parent supervision for early morning clubs

We would like to remind parents dropping children off at a club before school that you should accompany your child to the school office to ensure they are met by the person running the club as well as to confirm the club is running that day. Children must not be left on site without an adult. If a child is on site unaccompanied before 8.30am, to attend a club that is not running, then the child will be taken to Breakfast Club and parents will be asked to pay for that session.

Parent Forum meeting

Parents and carers are invited to attend and observe the next Parent Forum meeting on Monday 26th June at 8pm. The agenda will be 'Sharing information around children's progress with parents/carers'. Miss Andrews (Deputy Headteacher), Mrs Hampton (Foundation Stage Leader) and Miss Calvert (KS1 Team Leader) will be present to provide information and answer your questions. Vice Chair of School Governors, Mr John Brady, will also be in attendance. If you would like to raise any questions please address these via your class representative.

Kam Bhogal, Parent Support Advisor

National School Travel Awards - Bronze Level

We are very pleased to have been recognised for our work in trying to encourage more children to walk and cycle to school so that we might reduce traffic congestion and increase safety on our local roads. The Department for Transport has awarded us Bronze level accreditation, only the 6th school in Wokingham Borough to achieve this. We thank all our families who have contributed to this award; by supporting events such as Walk to School Week, Bikeability or by walking/cycling daily. We will continue our work around road safety and sustainable travel over the coming months and hope to gain our silver accreditation in the near future. Well done everyone!

Help with Y1-6 Sports day on Thursday 29th June

Please let your child's class teacher know if you would like to help on the carousel during sports day. Children in Year 1-3 are taking part between 10.20am-12.15pm and children in Years 4-6 between 1.15-3.20pm. Thank you.

Mr Holloway, Sport Subject Leader

Class groupings for 2017-18

The senior leadership team have begun working on planning and transition for the next academic year. As part of this process we have reviewed the current class groups and agreed, on this occasion, that no mixing or changes will be made to class groups for the new school year.

'Meet the Teacher' Sessions

At 9am, on the 19th July, there will be 'Meet the Teacher Sessions' for classes currently in FS2-Y5. These sessions will allow you to meet your child's new teacher and hear general information regarding their new year group and routines for September. We are trialling these sessions in July rather than September this year and invite feedback, after the meetings as to whether this proves a positive change for parents.

Yours sincerely

Mrs S Phillips
Headteacher
