25<sup>th</sup> August 2017

Dear Parent/Carer

## Building project update

We hope you have had a lovely summer holiday and look forward to welcoming you back. You will see on your return that building work has begun!

When you arrive with your children please be aware of the fencing to protect the builders' site and follow signs; there will also be staff available to direct you so please ask if you are unsure.

The school office has now relocated to the classroom next to Turtles (Year 2) and can be accessed via the playground, just before the swimming pool. The school office is open from 8am to 4.15pm daily, space is limited in the new waiting area so do bear with us. Children wishing to bring mobile phones to school should hand them to their class teacher on the first day only and follow their teachers' instructions for how to hand in/collect their phones from day 2 onwards.

There has been a delay with the building of the MUGA (Multi Use Games Area) and building of this will not now begin until September. There may be some disruption whilst the work is carried out. We would also ask that families do not use the playground or field area before or after school until this work is complete.

Finally a reminder to those of you dropping off and/or picking up from Breakfast Club/After School Club please use the Hillside Road Car Park only before 8.30am and after 3.45pm, using parking spaces 1 to 9.

We look forward to seeing you all again on Wednesday, 6 September 2017.

Kind regards

School Office Team
