YAY

It is nearly the end of another year and that means it is nearly Christmas. I hope you have been all good this year and are looking forward to the break. I am looking forward to spending lots of time with my two daughters, Emily and Mia, and of course my wife.

I know your teachers have worked really hard all year and there are some special festive events planned during December which I hope you all enjoy. Make sure you say thank you to them all.

IMPORTANT INFORMATION

On Friday afternoon 01 December big changes begin to happen and we will be putting up fences around the area that will be your new school hall. This means that your playground will be split in two and the footpath that leads from the FSU up to the main playground will be closed.

You may have noticed already that some new footpaths have been made and these will become the routes you will take until we finish construction. Please see the instructions below and refer to the attached circulation plan for further details. Alternatively please feel free to ask a member of staff or if you see me I will be more than happy to help

If you need to get to the Year 3/4 entrance or use the Out of School Club, please use the alternative access further up Silverdale Road or the Hillside entrance. For access to the School Office or the Year 5/6 entrance please approach as normal and follow the diversion sign posted. Additional signage will be placed in key points to assist you during the construction phase.

I will write to you all again before the Christmas break so enjoy your special events.
