8 September 2017

Dear Parent / Carer,

We are in the process of reviewing the medication we hold for children in school and would ask that you complete the below slip and return to the school office by **Thursday, 14 September 2017.**

If your child has Asthma you will be asked to complete the 'Asthma Form' which will be kept in your child's classroom along with their inhaler. The form can be downloaded from the school website.

If your child has a food allergy or other medical condition which requires medication such as an epi pen you will need to ask your child's GP to complete an 'allergy action plan'. If we hold one of these I would ask you to confirm that the information is still correct.

Other serious conditions may also require a Health Care Plan, please refer to our Supporting Pupils with Medical Conditions Policy.

If you have any questions relating to the Policies and Procedure of medication in school please do not hesitate to contact us.

Yours faithfully

School Office

Medication Review September 2017

Child's name DOB

Class

My child has no know medical conditions
My child has asthma
My child has a food allergy - please tick below

Peanut <input type="checkbox"/>	Milk <input type="checkbox"/>	Soyabean <input type="checkbox"/>	Lupin <input type="checkbox"/>	Crustacean <input type="checkbox"/>
