

Dear Parents/Carers,

Earlier this week, your child got a chance to meet me as his or her new class teacher for January.

I would therefore like to take this opportunity to introduce myself: Mr Rodrigues.

Prior to joining Loddon Primary School, I studied Primary Education with Music at the University of Reading. I completed my final placement at Loddon Primary School and I am thrilled to be starting as a permanent member of staff.

I feel that Year three is a wonderful year group to teach as it is a stimulating year in which children are encouraged to think more deeply, ask more questions and work more independently. I will strive to create a positive and purposeful atmosphere in class to encourage all children to fulfil their potential.

I am eager to get to know my new class and develop strong relationships between home and school, therefore working together to establish a successful learning environment.

I look forward to meeting you and please feel free to share any concerns you may have with me.

Kind regards,

Mr Rodrigues.
