'An opportunity to share your voice in school'

To all Parents/Carers,

At Loddon Primary School, we are proud to have a Parent Forum up and running since February 2016, whereby parental views have been discussed and presented to Governors and to the school leadership team for consideration.

The forum's purpose is our school's ongoing development and our aim is to build an even stronger partnership with parents. The forum works to provide feedback on provision, offer a parent's perspective on current policy and practice and input into decision making and planning for future provision.

Anyone can attend the forum but only the class representatives will be the voice of the parent forum. The forum is held termly.

The forum is always attended by Parent support Advisor and a representative of the governing body who also attend meetings.

We aim to have two representatives per year group, you will represent your child's year group if you would like to take part in becoming a Parent Representative please fill you details below or you can email me your interest on psa@loddon.wokingham.sch.uk

However, if you wish to continue being a Parent representative please complete the slip attached. If you wish to no longer be a Parent representative please state.

You will be notified late October of the paired class representatives' via our school newsletter.

We look forward to your support at the forums.

Regards,

Sarah Phillips
