

# prayer

Dear Children and Parents

On Monday 9<sup>th</sup> May 2016 we will transform the Loddon Parent Hut into a prayer zone for parents, carers and children to visit. We know the power of prayer and the comfort it brings; it is a time to be quiet, a time to ask for forgiveness, a time of peace and a time to reflect and be thankful.

We, the Loddon Prayer Group with Julia Jones and Louise Bisset of REinspired will be in the hut between 8.15am and 4pm. During the day we will be praying for the children, families, teachers and staff at the school and our wider community. If you have a specific prayer request, then please bring it to the hut on the day and we will include it in our prayers.

Parents are invited to come with their children before/after school or on their own around drop off if they would prefer. The children will be able to visit during break and lunchtime and we hope lots of them take the chance to come and see us.

There will be five prayer activities available for the children and yourself to explore. We hope the pictures below give a flavour of the experience that you will encounter.

The prayer zone will be a safe and relaxing place to come to and will be open for prayer for anyone of any religion, or none. We would encourage all of you to drop in to pray or chat with us or have a cup of tea or coffee. Everyone is welcome.

Emma Major

Parent of Rachel (Year 6) and Lay Minister at St Nicolas Church
