Dear Parents/Carers

In order to raise money for our Upper Team production, the children have decided they would like to take part in a sponsored triathlon on Thursday 15th June 2016. This will consist of a run around the school field, a cycle ride around the school playground and lengths in the school swimming pool. All children will take part in the event; however, the children have an option of whether to enter as an individual or within a team.

On the day, please ensure the children bring the required equipment to school. If they are cycling then we will arrange with them places to store their bikes for the day.

The children are eager to gain as much support as possible in order to put on a fantastic show for you all. After a Year 6 group vote, the children have decided that any remaining money they raise, that is not needed for the production, will go towards updating the adventure playground.

All sponsorship forms and money should be returned to school by Monday 19th June in a sealed envelope.

Yours sincerely

Upper Team
