Y1 - Scooter Training

Dear Parent/Guardian

We are pleased to inform you that we are offering scooter training to Y1 children on the 27th and 28th June 2017.

The main objective is to improve your child's awareness of road safety issues, particularly with those children who use their scooter to travel to school. The training would involve 6 children at a time on the playground for a half hour session.

Following the training resources for each child who participated in the training will be provided to maintain the learning and will include a comic, sticker, certificate and parent's guide.

This training is being organised and funded by Wokingham Borough Council and is being carried out by community wardens trained by the road safety team.

Your child will need to bring with them a scooter and a helmet neither of which will be provided.

Please return the slip below to the school office by Wednesday 21st June.

Yours sincerely

Mrs Sarah Phillips
